1	54	図1	 <p>Map showing trade routes across Eurasia and Africa. A red line representing the Silk Road passes through Constantinople (Constantinople), which is marked with a red 'X' and the label '(削除)'. Other routes include the Grassland route (green dashed line) and the Sea route (purple line). Key geographical features like the Tianshan Mountains, Pamir Knot, and Taklamakan Desert are labeled. A scale bar indicates 0 to 1000km.</p>	 <p>Map showing trade routes across Eurasia and Africa. The red line representing the Silk Road bypasses Constantinople, following a route through the Tianshan Mountains and the Taklamakan Desert. The map includes the same geographical labels and scale bar as the original image.</p>
